

## WASHINGTON GOLD & CIDER

# MADE FROM THE BEST APPLES IN THE WORLD

Our small family farm in Washington State has been growing the best apples in the world for over 40 years. Generations have been raised under the shade of our family's orchard, big hands and little hands working together come harvest time. Young and old selling apples out of the back of our old pickup truck. The family dog running along rows of trees heavy with fruit. And now crisp, refreshing hard cider handcrafted using fresh-pressed local apples.
